## Thai Marriage Visa Document Checklist

A general organizer for spouse-based visa or extension preparation. Confirm the exact current checklist with the office handling your application.

### Identity and status

|   |                                                          |
|---|----------------------------------------------------------|
| ■ | Foreign spouse passport and relevant pages               |
| ■ | Thai spouse ID card and house registration               |
| ■ | Current visa, entry stamp or permission-to-stay evidence |
| ■ | Recent photographs in the required format                |
| ■ | Completed official application forms                     |

### Marriage and relationship

|   |                                                      |
|---|------------------------------------------------------|
| ■ | Thai marriage certificate and registration records   |
| ■ | Foreign marriage recording evidence where applicable |
| ■ | Genuine relationship photographs                     |
| ■ | Shared-address or household evidence                 |
| ■ | Children's birth records where relevant              |
| ■ | Any requested witness information                    |

### Financial evidence

|   |                                                 |
|---|-------------------------------------------------|
| ■ | Confirm the accepted financial method           |
| ■ | Thai bankbook and updated copies where required |
| ■ | Current bank letter or statements               |
| ■ | Evidence of income or transfers when applicable |
| ■ | Maintain required funds for the required period |
| ■ | Keep a buffer for exchange-rate or fee changes  |

### Residence and reporting

|   |                                                         |
|---|---------------------------------------------------------|
| ■ | Proof of current Thai address                           |
| ■ | Lease, property or host documents as applicable         |
| ■ | TM30 or other address evidence when requested           |
| ■ | Map, photographs or home-visit information if requested |

## Timing and travel

|   |                                                |
|---|------------------------------------------------|
| ■ | Record permission expiry date                  |
| ■ | Prepare well before the filing window          |
| ■ | Check re-entry permission before travel        |
| ■ | Track 90-day reporting or other ongoing duties |
| ■ | Keep copies of every submission and receipt    |

**Important:** This checklist is general planning information. Requirements vary by nationality, authority, office and case. Verify current instructions before submitting documents.
